RECONSTRUCTION: It is alleged that Donavin Davis, the victim`s father, shaved off Autumn`s hair for punishment, then made her take an ice cold shower. It was also alleged that Melissa lifted up Autumn`s skirt to look at her vagina. The intake report also advised there was domestic violence in the home, with Melissa being struck by Donavin.

CRIME SCENE: 6715 Hone St, New Port Richey, FL 34653.

INTERVIEW: Melissa Davis (offender) AWF, DOB: 05/25/1991

I made contact with Melissa in the front yard of 6715 Hone Street, where she provided me with the following statements: The reason why Autumn wanted her head shaved was because her brother, Sebastian also had his head shaved. She also noted she was informed of this by Donavin after she returned from out of town. Melissa advised due to a parenting plan, she is not allowed to be at the residence while Autumn and Sebastian are visiting Donavin. Melissa also was in Fort Myers when this allegation of her lifting up Autumn`s skirt was mentioned, and the parenting plan was long since in place at this time. Melissa advised that there is no physical altercations that take place in the home, in front of the children or otherwise. She stated that her and Donavin work together and sometimes argue over small things but have a happy relationship.

INTERVIEW: Donavin Davis (offender) AWM, DOB: 05/14/1994

I made contact with Donavin, and he advised he was the one that shaved Autumn`s head and he did it because she asked for it due to her brother Sebastian having all of his hair shaved off. Donavin believed the allegations regarding Autumn taking an ice cold bath and Melissa lifting up her skirt are fraudulent and made up by Jennifer Brophy to get him in legal trouble. He advised that Autumn is old enough to take showers and baths by herself and he has never used water as a type of punishment ever. Donavin also advised there is no domestic violence in the home. Donavin showed me a video of the head shaving incident and it shows Autumn smiling the whole time. He also showed me text messages of Jennifer asking Donavin why he shaved her head, but did not wish to provide the files at this time.

INVESTIGATION: On 9/29/2022, around 1816 hours, I was dispatched to 6715 Hone Street, in reference to a CPI investigation.

I made contact with CPI F. Caminero who provided a summary of the intake regarding this incident. CPI Caminero also advised she made contact with Autumn prior to this incident, who advised she had her hair shaved because her brother had his hair shaved by Donavin.

After I spoke to CPI F. Caminero, we changed location to 6715 Hone St, New Port Richey, FL 34653 and made contact with Melissa and Donavin and conducted the above listed interviews.

It should be noted that Donavin did answer all questions, but he was uncooperative in certain aspects, and consistently asked why questions were relevant to this case. He also made statements to Melissa not to answer certain questions, but Melissa told him to be respectful and cooperate.

While I was on scene, I observed Nicholas inside the residence. Nicholas appeared happy and healthy and did not see

any signs of abuse. The other children, Sebastian and Autumn, were not home at the time of our investigation due to Melissa being home, and they were currently in custody of Jennifer.

The text messages that Donavin showed me were from Jennifer, with Donavin responding. Jennifer asked Donavin why he shaved Autumn`s hair without her permission, and stated she looked horrible. Donavin replied that Autumn asked to have half of her head shaved because her brother had his hair shaved off, and Autumn wanted to have fun with her brother. Donavin also stated that he knew the haircut was strange but it made Autumn happy, so he did what she asked and hair can easily grow back.

Due to the statements provided, the video indicating that Autumn was happy and wanted her hair shaved, text messages of Donavin declaring his intent behind shaving half of Autumn`s hair, and Melissa being out of county during this incident, I found these allegations of child abuse to be unfounded.

A wants and warrants check on all parties met with negative results.

No further action.
